

School Supplier Profiles

A great opportunity to increase visibility and awareness of your products/services to our targeted audience, above and beyond your space advertising.

It's the first place teachers will look when searching for suppliers for the new school year.

FREE to companies that place a 1/4-page or larger ad in the September 2010 issue of **tech**directions.

You can also purchase this profile for \$350!

Here's How:

1. Place a 1/4-page or larger ad in the September 2010 issue of **tech**directions.
 2. Send us a 70-word description of your company and/or product line. Include your web site and e-mail addresses, phone and fax numbers, and mailing address. Please include your name for our reference.
 3. Send us your company logo, catalog cover, or product line photo.
- E-mail your text and graphic as separate files to tonya@techdirections.com
